Sometimes I cough in morning before I get up.

I was born in Orange, Texas

I've been to over 45 countries.

I moved from Texas when I was young so it didn't effect me.

The world would be a better place without flies or chickens.

I cry in all the wrong places while watching a movie.

Almost all of my model airplanes crashed at one time or another.

I hardly ever get sun burned.

I wish I could sing. Or even carry a tune for that matter.

Fishing is very boring.

Red use to be my favorite color.

I may be mistaken...It appears that I have gained 10 pounds.

Being on submarines was fun, being in the Navy sucks.

My first car was a 1952 MG TD. I really miss it.

My ex-wife is still beautiful.

I never liked to belong to any clubs.

The first time I made love was in the back seat of a car.

I lived in Rota Spain from 1960-63.

Because of being on a Submarine, I hate the smell of Diesel.

There is no devil. If there were he would have contacted me by now.

I don't drink coffee or tea.

I hate having to wear glasses, but I can't use contacts.

Parades are a waste of everybody's time.

Horses don't know who you are.

I can remember every joke I've ever heard, only not all of them are good.

I never get tired of looking at the stars on a clear night.

I should have gone to college.

Most people wear silly looking shoes.

Kissing turns me on.

My right ear does not hear as well as my left.

I never think about food unless I'm hungry.

My table manner are not as good at home as when I with company.

Intelligent women are attracted to me.

Second hand Cigarette smoke gives me a headache.

I'm convinced that the whole world does in fact speak English when I'm not around.

I don't have "Highs and low" and I feel that I'm missing out on something.

DVD's are much better than Videos.

If I could cook I'd probably be very good at it.

The last ten years have gone by way to fast.

High school was fun for me, but not for some of my friends.

A little rain is ok.

I have never vomited or coughed up blood.

Living is "Snow" sucks

I'm trying to use the word "woman" instead of "girl." But sometimes it doesn't fit the situation.

I've been around water and boats nearly my whole life. I can't stand boats!

Airplanes are really neat!

I learned to swim by jumping off a dock, but I didn't want to learn how to fly by jumping off a cliff.

Tattoos are a waste of time and not really very "attractive" and why anyone would get one or want one is way beyond me.

Same can be said for "Nipple Rings"
