I was flipping thru the channels one had Jesus as a baby with 3 kings holding bowls of gems per one of the gospels(think Mark) the they said Luke wrote about the same event but left Mark out, and Mark left Luke out too

Another show had a [www.pastormichelle\(something\).com](http://www.pastormichelle(something).com) she's a little prettier then Elaine on Seinfeld. She was talking about the animal waste on Noah's Ark.It could have been comedy for you people,was for me
