
Hi ya!

Posted by Minnesota Joe - 2008/03/18 20:38

Hi all,

I'm Joe and I'm an atheist. That's a bit like telling you I don't have a mustache (anymore), so I feel compelled to add that I've a strong affinity for naturalism (in contrast to supernaturalism).

I'm here because I'm exploring my atheist group options in the Twin Cities area and online atheist forums in general. I also post (infrequently these days) at Internet Infidels.

I look forward to talking/writing with you!

Cheers,

Joe

Hope you can get involved on the forum. We're trying to liven it up, talk of cash prizes or stickers. It will probably end up being stickers...

Welcome Joe.

That is a novel idea Crystal.

Novels would also be a good idea!

I have plenty of buttons to give away, that could be a motivator.

People LOVE buttons! :) There may still be a few hold outs on the cash prizes though! haha.

It is always stickers with atheists (you'd think they didn't believe in cash), but you have to love us anyway. :)

Nice to meet you, CrystalD.

Nice to meet you, too! Of course we like stickers. We can STICK them on things! How cool is that? lol.
